A refreshing rum swizzle cocktail and relaxing harbor view tops off the signature Rum Swizzle Scrub at the new @exhalespa at the Fairmont Hamilton Princess & Beach Club in Bermuda.

Be Relax in JFK's Terminal 5 appeals to morning people with 6 AM appointments available.

Natura Bissé's Patricia Fisas gave us the lowdown on the active ingredients in the brand's latest products.

Guillaume Lefevre

"I think the intent of cosmetic products and treatments is to enhance your natural beauty. **Beauty is a combination of your inner self and skincare, which is reflected in the mirror.** You can't be beautiful unless you experience the wellness first; wellness and happiness are essential to reflect beauty."

— Guillaume Lefevre, founder and president, *Thémaé Paris*

Learn more about **Lefevre** in this month's Bright Spot.

➤ Register at www.americanspa.com/webinars for two informative webinars this month. **Irena Mena**, assistant learning manager for Millennium Systems International, will present "Maximizing Your Retail" on Monday, Sept. 12. **Irena James**, cofounder of CelleClé and vice president of product development for YG Laboratories, will discuss the skin-aging effects of technology on Monday, Sept. 26.
